

STAR 90 SERIES 800MM WIDE
GAS RADIANT BBQ GRILL

Gas grill constructed in AISI 304 stainless steel. Reversible cast iron cooking grill. Forward sloping for cooking fatty meats, with 40 mm elements in direct contact and drip tray for collecting grease. Flat for cooking fish and vegetables with circular 10 mm diameter elements. 135 mm tall splashguard in AISI 304 stainless steel on three sides.

Grease collection channel at front, easily removed for cleaning. Removable drawer for collecting cooking fats or holding water, positioned underneath the heating elements. The water allows the cooking fats to cool. Evaporation of water ensures grilled food will be tender. Controls positioned on fixed front control panel.

Heating by means of burner in AISI 304 stainless steel positioned under the grill, protected by the AISI 316 stainless steel diffuser, easily removed for cleaning. Heat is adjusted by means of a safety tap with thermocouple and a pilot burner. Piezoelectric ignition. Scraper for grill supplied. Appliance equipped with height adjustable feet in stainless steel (850-900 mm). IPX5 protection rating.
